

Accessibility Statement for WEBSITE_NAME

This is an accessibility statement from BOOST 360°.

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. WEBSITE_NAME is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Date

This statement was created on 13 July 2021 using the [W3C Accessibility Statement Generator Tool](#).
